

ST. JOSEPH PARISH
7 Locust Street, Carteret, NJ 07008

14 November, 2021

Dear Parish Family,

Greetings as we complete our church year this approaching Sunday of Christ the King Feast, November 21.

As we have journeyed with our faith life through the Gospel of Mark over these many weeks, we begin a new cycle of faith-sharing with the Gospel of Luke each Sunday beginning in Advent, November 28.

Please take time during Advent to prepare spiritually for a peace-filled Nativity season. We have planned evening reflections, afternoon adoration, weekend gatherings over these coming weeks. Take advantage of one or more of these moments for some well-deserved spiritual boosts.

Each household is receiving a personal Christmas card as family member of St. Joseph parish this weekend. Please have each member of your household sign the card and if you can download a photo of your family placing it inside the card and return it next weekend, November 21 in the regular collection basket where we will display them on a parish season tree at church entrance during the coming weeks of decoration and preparation.

Remember, for your Thanksgiving planning, our daily mass Thursday, November 25 will be 9 a.m. bi-lingual liturgy in thanksgiving for all our blessings.

Sincerely in the Lord,

Msgr. John
