

**ST. JOSEPH PARISH**  
7 Locust Street, Carteret, NJ 07008

Dear Parish family,

Greetings, blessings as we celebrate the feast of blessed trinity. As we gather we thank the Lord for the mystery of divine love and grace each time we bless ourselves in faith and invoke the name of God.

Please continue to stay informed as our parish carnival arrives in a little over a week on June 11- 14, Thursday, Friday, Saturday and Sunday. Thank you to all our sponsors, amusement workers, police, first aid and our families volunteering from the parish and school. Our Super 50/50 raffle is a big support for the success of our event. Please find additional packets of 5 tickets each @ \$10 per ticket in the church foyer. If you still would like to staff one of the booths or help in any of the other duties, please arrive and report to the staff 'captain' who will be visible on the school grounds and can direct you to the volunteer sign-in. If you know of any local business owner, individual, group who would sponsor with a banner displayed and announced over the four days, please find sponsor forms on the counter at the church entrance.

Parents, please remember the value of catholic education as we arrive at the end of the school year and gratefully with the recent scholarship evening in memory of Ms. Marcelle Doherty additional funds are able to be shared in support of those who apply and are approved. Please call the school office to receive information on school registration for September 2026, 732-541-7111 or the parish office, 732-541-8946.

Congratulations to our class of 2026 who graduate this Friday from St. Joseph School. We are so proud of their young lives and the bright futures arriving for their journey into high school and beyond. May their families be blessed with the treasured memories of this coming week.

God Bless you,

Msgr. John Gordon
